“ I met Barb in the fall of 1982, we. dated during 1983. We had many, many terrific times together. Some of my family members, and many of of my many friends knew one another in which was a wonderful surprise. Our families had much in common. Later I joined CAC and became president in 1990. With as great deal of moral support from Barb over the years. I had some of best times in my LIFE THANK YOU GOOD FRIEND!!!!

“ Barb has been a member of our single's club, Catholic Alumni Club for many years. When I first joined the club in 1994 she often hosted parties at her townhome. She was especially active in our national organization's meetings and was well known among other chapters across the country. When her mother passed away some years ago she didn't do as much locally but still corresponded with me and her friends across the country. More recently she kept telling me she intended to do local events again, but suffered numerous health issues that prevented her from doing as she liked. Still, she always bounced back and I came to know her as a smart, caring and strong lady, club member and friend. She never missed a chance to talk about her "boys" (her cats Beau and Tiggy, and her other cats later) that she loved so much. Barb will be missed by all that knew her.

Barb was a close friend as we shared MN Vikings season tickets for 25 years (1983-2007). We also worked together on the 1993 and 1997 CACI (Catholic Alumni Club International) regional conventions here in the Twin Cities. I thank her and her deceased mom (Val) for hosting dinners and parties for TCCAC groups at their Bloomington townhome.
