“ *I am so sorry to hear of Barb's illness and passing. She was a wonderful, warm human being. I was privileged to work with her for many years. She made every encounter pleasant and was incredibly helpful and supportive of others. My sincere sympathy goes out to her family.*

“ I have such wonderful memories of Barb during our school days. We were such good friends and had many laughing moments. I remember passing notes back and forth in Grade 6 about the boys and getting caught and how embarrassed we were. Spending overnights at her house, giggling about everything. Her mom Vivian was always so gracious and was very special to me. We had so much fun during high school. We took a trip with our husbands down to Florida and made campfires on the beach. She came to one reunion and stayed with us and then I lost touch with her. I tried to get in touch and was hoping she would be at our 50th reunion. She was a beautiful person. Viv, you and your family are in my heart and mind, and my thoughts and prayers are with you. With love, Terri
