“ *My heart goes out to all my cousins. Auntie Barb was one of the best Aunts ever. I know I have not seen any of you in a long time but you have always been in my thoughts. I will especially be thinking of the family during this time. Love all of you.*

“ *My deepest sympathy goes out to the family. I knew Barb more than half of my life. The McGuiggan/Mikel Family friendships go back in some cases 4 generations. Barb and Mick knew my parents before they even had us kids. She had an incredible love and respect from her family and all that knew her. The wonderful memories will live on forever keeping her close in the hearts of those she touched. It was time for her to be released from any further suffering and rest in peace. May that bring comfort to those who struggle in times when they miss her the most... There must have been a bell ring, cause an angel just got her wings! You will never be forgotten Barb. Love Kimi*
