“ *Deb and Naketa - I am so sorry to hear about your wonderful Mom, Grandma and my Aunt. My Mom let me know about your Mom's passing, but I was out of the country and not able to make it to the service. I've been trying to reach you based on old addresses without luck. Please contact my Mom again and ask her to pass along your phone and address so I can reach out to you. Please take care - My love and prayers are with you, Mel*

“ *I first meet Barb, four years ago when she was a volunteer at my school working with kindergarteners. After we talked we had an instant connection. Barb started volunteering in my classroom every Tuesday and Friday mornings. She would make it into school no matter if it was cold, snowing or icy. She loved working with the students. She had such a great rapport with them. Barb would take time to listen to the students who sometimes had a lot to tell her. She was the “Grandma” for many students and a great friend to me. My classroom feels like something big is missing on Tuesday's and Friday's now. We will never forget you Mrs. Miller! *
