“ If you can afford it get him a red iPod with the words We love you, dad or semhtoining like that engraved on the back. Red is really loveydovey and it's not girly either, but you can give him black. however, red imo is the best.xxPS. have the kids make a couple of cards with finger paint. or make a scrapbook or semhtoining of the sort. OR. get him a plain white tie and get your kids round and make them fingerprint all over it. on the back, write a small message like we love you daddy! xoxo (yourname) and your little ones (their names)
