“ *Barb was a very good friend and a respected professional associate. I knew Barb for over 20 years. She was always the same when I talked to her, patient, considerate and level headed. She loved her family and loved to share her excellent baking with everyone. I will miss her very much.*

“ *Dear Wewers and Hermann Families, I am so very sorry for your loss. Cousin Barb always had twinkle in her eye and a quick wit that kept you on your toes! Many fond memories of family gatherings, especially Uncle Jim's and Aunt Tine's 50th Wedding Anniversary. It was a glorious day. Barb and the family put on a grand celebration that was enjoyed by all! And, yes...all the homemade goodies and grophens were simply the best! You are in my thoughts and prayers. Please take care, cousin Theresa*

“ I have known Barb from the 1960's. She was fun, had a great smile. At that time she enjoyed her family and friends, and also going to the family lake cabin. She was a beautiful person and I know she will be greatly missed by many. I am so very sorry for the families loss.

“ MEMORIES TO KEEP When we were kids, looking back and remembering the fun times at those family gatherings on Wheellock Pkwy, the energy of all the aunts, uncles and cousins and the smell of freshly baked ham in the roaster. Rest well Barb Jim
