“ Barbro was a dear knitting friend and also attended book group with me. I will miss her dearly as she and I had a special relationship. I scolded and teased her and she taught me about wildflowers, native grasses and plants. She was a lover of knitting socks and always had a pair on her needles. She also had a loved red and black knitting bag made by a member of our group. She carried it always. Recently she had been knitting mitered square blankets which a huge undertaking but she had a lovely palette of yarns chosen. I have many photos of her laughing and smiling that I will upload.
