“ To have grown up around berry was a blessing. He is what Charles Barkley would call a real role model with all the time he put in to being their for us kids. His bears coat could mess up a layup, or his ponytail could cause a strike but he was there and that's what ment the most. Giving crap to berry was what had to be done getting it back was love. Thank you berry for adding so much to those special years... just for you bonnie I will say it, GO BEARS!

“ *Diana and family, I am so sorry to hear about Barry. My sister Kim and I loved to call Barry anything that rhymed with his name when he would make his rounds..(Gary, Harry...etc...) I will always think of Barry with his quick wit and sense of humor. I will also remember and appreciate what a great friend he was to my big brother, Jon. Your family will be in our thoughts and prayers.Sincerely, Beth (Kinard) Zimmerman*

“ You always had a smile on your face and made every child you came in contact with feel special. We have shared so many special times over the years. We watched our families grow and talked about our grandchildren. I was hoping to someday talk to you about our great grandchildren. I will always remember you. I will miss you old friend.
