“ How I will miss Bea! She faithfully sent me a card every 4-6 weeks since my stroke, and we were scheduled to have lunch October 4. She is one of a kind, a tender and tough English teacher with enough stories to write a book. Now she and her beloved Don can spend eternity together. Love and sympathy to her close knit family,

“ *Bea Horne was the favorite teacher of my class of 1950 in Oakes ND. We included her at our class reunion and any get together our class had. At our 50th reunion she came to our reunion at my home in Oakes. It was so much fun for all us of to have her there. Many of us continued to keep in touch over the years. We all learned a lot in her English class ad I still remember some of the things she taught. I will miss her Christmas cards that she wrote every year. She will be greatly missed by her family and friends.*
