

Beatrice Kay Truchinski

February 7, 1946 - January 23, 2019

Beatrice K. Truchinski, of Neenah, Wisconsin, died on January 23, 2019 at the age of 72 in her own home from the debilitating effects of Parkinson's Disease to which she finally succumbed after coping with the disease for more than eight years. She was one of the most kind-hearted, loving, generous woman you could ever have had the privilege of meeting; having provided care and help to women, children, and families in need through her volunteer efforts with Harbour House Domestic Abuse Programs, Habitat for Humanity, and the Salvation Army Noon Feeding Program.

Her compassionate and caring personality also extended to animals as she spent much of her time working with animal rescue organizations, animal shelters, providing foster care for dogs, and developing and training German Shepherds, Dutch Shepherds, and Belgian Malinois for police and security work as a member of the Fox Valley Police and Schutzhund Club, Appleton, Wisconsin.

She is survived by her husband, Steven; her daughter, Dawn; two sons, Erik and Anthony; a grandson, Matthew; and her two sisters, Avis and Donna, having been preceded in death by two brothers and two sisters.

Family and friends will gather at Wasburn-McReavy Davies Chapel, 2301 Dupont Avenue South, for a short remembrance service at 10:00 a.m. on May

4, 2019 before transporting her ashes to Hope Cemetery in Tyler, Minnesota to be buried next to her mother, who died when Bea was only three years old. Bea will be sorely missed by her family, friends, and anyone who ever was fortunate enough to have met her.
