

## Bernadine Ann Dorn

October 5, 1935 - December 29, 2022

Dorn, Bernadine Larson Age 87, of Plymouth, passed away on Dec. 29. She was an only child preceded in death by her parents Ben and Wanita Larson, as well as many aunts, uncles, cousins, and friends. Bernie is survived by her daughters Kristi Dorn and Marcie Goldman, son-in-law Mark, granddaughter Bria, and many extended family members and friends. Mom grew up in small towns across Minnesota (Wadena, Nimrod, Park Rapids, Marshall) and moved to the Twin Cities as an adult. She was a long-time Honeywell employee and a proud union member along with her fierce and fun-loving workmates turned life-long friends. After retiring she worked part-time at Byerly's and Kowalski's cooking up food samples for customers until she was 82. Mom loved to create cozy home interiors and decorate for the holidays. And she was a sensational cook who loved to entertain. She was discerning, creative, artistic, crafty, blunt, funny, and the life of the party. Her kindred spirits were the friends and family who joined her in living a little more loudly and laughing a bit more exuberantly than the average person. Mom had a dash of dynamite that created moments to tell about again and again. She was a devoted daughter, dedicated mom, and steadfast friend. At the end of her life she endured health challenges that she battled with incredible strength, courage, and an unwavering will to live. Thank you to the doctors, nurses, and staff at Abbott Northwestern who cared for mom so well. And to everyone at The Waters in Plymouth, thank you for making her last home one she loved so much. Although we had not gotten together in a long time you have been in our thoughts. Christmas cards and letters kept us in touch. My daughter Amy remembered staying with you hen she flew out to California.
