“ Condolences to the entire family. Bernita was a very close friend of our family and she and my mom (Karen Dean) were always together. Bernita was always so loyal and I really enjoyed being around her. She will be missed and I will always treasure the relationship we had with her.

“ What a gift you gave your grandma. The gift of time and her grandchildren and great grandchildren. I remember Bernita way back at Mary's house. She was so kind. I will remember her sitting with your other grandmother, Lou. They both enjoyed visiting on those occasion. What a special grandmother! Hugs to all of you.

“ *The kids and I miss you dearly. We miss stopping by to say hi, and the kids said they wanted to go by and get some yogurt. Grandma would always grab Trix yogurt from the dining room and store it in her fridge so they could have a snack after school.*

She loved looking at all their pictures of activities and dance recitals. When those little kiddos stepped into the room, she lit up. It was one way to get her to smile.

We miss you, but we know you're at peace, which makes it a little easier. Love you Grandma.
