“ Chris: My condolences on the passing of your mother. I knew her as a kind lady, with a quiet sense of humor and a high tolerance of Herter-boys high jinx. A lovely woman who saw and lived a full life. -

“ So very sorry to hear your sad news. With a tear in my eye I must tell you I will miss her, very much. Many times I have thought of her and our times together laughing and crying together. What a loving lady she was who lived a lot of history and gained a lot of wisdom.

“ I was glad I met Berthe some years ago when I first joined WCHS on staff. She was a lovely and gracious woman. The series of Herter exhibits during the last three years have been exciting, challenging, and very meaningful for all the former employees and customers of Herter's. We continue to attribute Herter's with putting Waseca, Minnesota on the map. Berthe was the woman behind the man-- rest in peace, you will be remembered always.

“ My Grandmother, Gertrude Bartelt worked at Herter's when I was a young child. I remember visiting her place of employment in Waseca (1960's). Fond memories for me. R.I.P.

“ *Rest in peace. When George came back to Waseca in 1947 with his new bride from Belgium, she barely spoke English. My mother went out of her way to befriend Berthe, conversing with her in very poor French. I worked for George around his house during the '50s and know Berthe to be a gentle and good soul. Sorry to hear of her passing.*
