Beth Noelle Gould, Age 40

Beloved wife, mother, daughter, sister, aunt and friend passed away

Beth was an extraordinarily talented creative person with an amazing love of life, music of all types, fishing and the outdoors and of course, her first love, Elvis Presley. She was extremely devoted to family and traditions. Her selfless nature, sense of humor and infectious hugs drew anyone and everyone to her.

Beth and Tim were married in May of 2006. Their life together led them on many adventures the best of which was adding Tenny to their lives. Beth's greatest joy was becoming a mother to Tennyson. Her bright light will always shine on them.

Beth is also survived by her parents, Larry and Pam Larson; sisters Amy (Jeff) Linner and Sara (Eric) Haller; nieces and nephews Alexis and Cameron Linner, Mackenzie and David Moe and many other family and friends.

“ *Beth for the time and care you took with my brother who also found out he had cancer. You were always there for him as he went through his journey. I know you are both in Heaven together. I loved the story you told me about you and Dave fishing at Round Lake. Out fishing, the trolling motor broke. Dave had you stuck in the trees, you had twigs and leaves stuck in your hair, You pushed out and told Dave to keep going even though you could only troll backwards, you kept fishing with the tree in your hair, still after the fish and came in backwards to the cabin! you had me laughing so hard...*
