“ I met Betty during her stay at Nine Mile Creek Residential Care. She was a gracious and good-humored lady with an infectious laugh. We played many Bingo games which she always approached with competitive gusto 😊 She fondly shared stories of her life and family, as well as her recipes. Her “Chocolate Cream Cheese Concoctions” were a favorite! We loved Betty and she is sorely missed. We thank God that she is with her Savior in heaven where there is no more sorrow or pain. Condolences to your whole family.
