“ We fell in love with Betty about 5 years ago. Joy and her mother came to visit. she was an amazing lady. We shared lacey with her and later the puppies with her They sensed her being fragile and was careful around her. Betty would to play cards we would play until late a night. The only regret we had was not seeing before she passed on We just couldn't find time when she was up to it. Rest in peace my dear friend until we meet again. Give Lacey a hug from me
