“ It was such a joy to meet Betty back in October 2012 at my parents Memorial service. She & Uncle Charles were the only relatives there for my Mother other than her immediate family & it was wonderful to hear Charles speak. Since then I know Charles & Betty have been there for Aunt Barbara, Aunt Jeannie's family & Chynne's family. Though Betty's illness was brief & quick those few weeks were meaningful & blessed with all her family around her. I hope your family knows all of us miles away are there with you in spirit during this difficult time and will always have you in our prayers.

“ I have you in my thoughts and prayers. I know how much it meant to Mom to have Uncle Charles and Aunt Betty with her those last days . She treasured those moments - you could see that from the pictures I took. Betty wrote the sweetest note to me after Mom passed. I have it saved. That is my memory of all of you - all of you were so quiet and kind. Perhaps us country kids were a little overwhelming. For me John 3:16 is so important - I know Mom believed in our Lord Jesus Christ and just passed from here to be with her other loved ones and I feel her loving support every day guideing me to be the best I can be through her example. Betty will no doubt have left you with that inner contentment that she is with Jesus and her spirit lives on. Bless you all.
