“ *Betty and Jim & family, I am so sorry to hear of your mother's passing. I remember her as a dear and wonderful mother who carried herself with great pride and love. I think of you and your family often and remember staying at your home on McCauley Trail when we were freshman in college. Your mother was always so generous and there for all of you and that was wonderful to see. You are all in my thoughts and prayers. Pam Rezac Biehn*
