“ Betty was a long-time customer of mine. I haven't heard from her in a couple of months. I had some mail returned and I tried calling and her number which was no longer valid. I am so sad to hear this news. We shared so many laughs over the years. She will be missed.

“ My condolences to the Nooner family on the passing of your Mother. Although I did not know your Mother and only met you Father once, my parents, Harold and Carita, reminisced many times of the delightful Legion conventions, especially the time that the convention was held in New York City, that they attended. Your parents will both be truly missed.
