Paulson, Betty J. Betty Paulson, of New Brighton, died June 12, 2016 at the age of 87. Betty was born in Milwaukee, WI but lived nearly all of her life in the Twin Cities. She is survived by her daughter, Pamela Green, and her husband, Richard; grandsons Zack Green and Joe (Claire) Green; granddaughter Lindsay (Matt) Dvorak; great-grandson, Brody Dvorak; and two more great-grandchildren due to be born in July.
