“ Lou and family, please accept my deepest sympathy on Betty's passing. We were all very fond of her and she will be missed. My dad and Father Jim are probably getting caught up with her already. God bless the mourners.

“ I wish I could be there! Betty did have the gift of gab! She loved to talk and share stories! She talked me through some really tough times and I will hold onto our precious memories. They are stored in our own memory book (in our minds) and no one can take that from you. When I find myself missing her, I just go to that memory book and smile! Thanks to my very special "Minnesota Mom"! Love you always!!!!!!
