“ I treasure the memories we had growing up. Betty was a very fast runner and athletic. Betty always took the time to help me and is a kind and caring person we all know and love. Betty had a wide smile and loud laugh. I can still hear it in my mind. Betty loved animals and especially her dog King. We would walk the dog and keep each others back on the city streets. If I ever needed a safe place or just somewhere to sleep, Betty is that special person you can count on who will always help. I have some funny stories and know everyone who knew her has some too.-Jimmy Bice from Evans GA God Bless you and keep you.
