Tribute Wall

MA

“ Mom, you were and are in my mind the best mom that a person could have. You had a heart of gold and always put everyone before you. I will miss our daily talks and perhaps most of all I will miss the wisdom that you gave me all these years - your unwavering love for your husband (my dad) and our entire family. I will miss you more than the sun and moon, but someday I will see you soon! Love you mama!
