“ The meaning of Beulah’s name reminds me of the life she lived. Her name means favored of the LORD, a beautiful land married to the LORD Himself. In Beulah I saw calm, steady strength, faithfulness, and loving authority. She valued service to others, diligent work, and above all kindness that was expressed to many. She opened her home for family gatherings where delicious food prepared in her kitchen, and potluck dishes brought by other family members were served in abundance. The good and loving memories from these family gatherings are a valued gift. Vegetable and flower gardens flourished under her care, and patients that she cared for during her career as a lead nurse no doubt were served well by Beulah’s attentive and capable presence at their bedside. As a younger cousin to Beulah - her mother and my father were siblings - I know her memory is honored. Beulah’s legacy of goodness remains, though she has departed - for Heaven’s “Promised Land.” Heaven is called “Beulah Land” in Isaiah 62:4, and Beulah, a humble believer in Jesus as Savior and LORD, is surely at home there.  
Love,

“ *Beulah was God's gift to her family. She will be missed by her entire extended family. Beulah was my cousin on my father's side of the family. She lived a long life of helping others as a nurse and giving love and compassion to all she encountered.*

“ *Mrs. Baxter was my mentor. She convinced me to attend nursing school way back in 1978. I'm now retired and have thought of her many times over the last 40 years.*
