“ *Dear Buzz and Family,
I was sad to learn of Bev's passing through Anna R. as she was trying to contact my Mom, Kathy J. How I remember listening to Bev tell stories with a twinkle in her eye and a smile on her face! I also recall her calm but infectious laugh! I have fond memories visiting the cabin and hanging out with 'the girls'. I also got to see you, Buzz, during my years at St. Scholastica and felt so important that you said 'Hi' to me in the halls when we passed each other. Thank you for your friendship to my parents and to me. Bev will be missed by many. May God comfort your family during this time of sadness and mourning.*

“ *Condolences to the Hultbergs from Al and Anne Nephew. We are sad to hear of the loss of Bev; such a lovely person. Many of us at the College still remember you and Bev fondly, Harold, and hope you are in good health. Even those of us who are retired meet at the College from time to time to talk over old times and especially to remember the funny ones such as the letter from Black Jack Daniels.*
