“ *Bev was my trainer and mentor when I first came to the ARRT and soon also became a friend. Kind and sharing, I remember how much she enjoyed her spring vacations to Virginia during Garden Week, and her autumn trips to northern Minnesota. I remember the first time, with some trepidation, she took her grandson to McDonalds, and her kind of funky chicken noodle jello salad. What a great lady, and leader. I am grateful for the opportunity to have known her. Fondly, Gayle Roth*
