

Beverly Beth Eckblad

February 2, 1941 - August 19, 2024

Eckblad, Beverly B (Brown), 83, of Roseville, died August 19, 2024. Bev was, at her core, a server of others. She lovingly cared for her family, her siblings and her church. Born in Odessa, MN to Millard and Bernice Brown as the oldest of four children, Bev learned to drive tractor on the farm and attended school in the one-room schoolhouse. She went on to earn her degree in Home Economics from the University of Minnesota. Bev met her husband, Dave Eckblad while they both worked in the laboratories of Northstar Research.

Her care continued as she and Dave raised their family, and then into her work in catering as well as at Pillsbury/General Mills where she helped those who called the customer service line. Bev also was deeply involved at her churches: Warrendale Presbyterian, First Covenant Church of Mason City, IA and Roseville Covenant Church. She could often be found playing piano, coordinating Sunday School or leading in the kitchen. Bev touched countless lives as she served and cared for them. Bev was kind and paid attention to details. She was a servant, a friend, a sister, a wife, a mother and Mormor. Bev loved the Lord.

She is survived by husband, David Eckblad; children, Jeffrey Eckblad and Becky (Dave) Cairns; four grandchildren; and siblings Grace Brown, James (Connie) Brown, David (Susan) Brown. A memorial service followed by a

luncheon visitation will be held Saturday, October 19th at 11:00am at Roseville Covenant Church. Memorial gifts can be directed to Roseville Covenant Church or Covenant Pines Bible Camp

“ Denny and I enjoyed the times we spent with Bev and Dave while they were at First Covenant in Mason City. So good to see them when they came to visit the church not too long ago. She will be missed. Peace to your hearts.
