Tribute Wall

ME

“ To the family of Beverly: She was one beautiful woman! I was in the Honeybelles with your mom. She had such a giving heart and she will be so missed! She always had a smile on her face, was always happy to see you. How lucky you were to have had her in your life! Hold her memory in your heart. I just heard today about your mom and I am so sorry I didn't know or I would have been there for her funeral. You and your family are in my prayers.
