

Beverly Ann Huso

February 18, 1954 - November 23, 2022

Beverly Ann Huso died peacefully at her home on November 23rd at the age of 68 after living well with cancer for many years. She was preceded in death by her parents, Alvin and Leona Huso and many aunts, uncles, and cousins. Bev is survived by her loving sister, Barbara, brother-in-law, Kirk Koebnick, nieces, Emily Koebnick (Matthew Sells), Libby Koebnick (Michael Playford), grand-nephew, Simon, Kirk's sisters, Georgia Feist and Linda Koebnick, and many cousins and friends.

Bev grew up in St. Anthony and graduated from St. Anthony Village High School in 1972. She attended UMD and the U of MN. She worked at the U of MN School of Dentistry for many years before transitioning to a very successful career in Medical Research.

Beverly loved to travel! She was always looking forward to her next adventure to Mexico, the North Shore, Chicago, a cruise, or an Amtrak trip. Always first class! She was already planning a Trans-Atlantic cruise with friends when diagnosed with pancreatic cancer a year ago. In true Beverly style, she made that trip in September.

Bev lived life on her own terms with no regrets or apologies. She cherished her friends and loved her family passionately. She was the most generous and loving Auntie Bev!!

A special thank you to her cancer teams at the University of Minnesota and the amazing Accent Hospice caregivers. And, to her angels on earth-her friends, Cindy Swan Henderlite, Cathy Smith, Lori Wosmek, Susie Cyronek

and Judy Harris Lykins.

“ Some of the best times of my life were spent working along side Bev and our group of friends at the dental school. We had so much fun and have remained friends for over forty years. Our group formed a strong sisterhood that has taken us down many of life’s paths and even though we went in different directions, we made sure to keep in touch and plan reunions each year. Bev fought a very difficult battle with such bravery and strength. I always told her she was the energizer bunny and so admired her courage. I’m so grateful to have had the blessing of her friendship and I am going to miss her. Mike and I wish our very sincerest condolences to Barb, Kirk, Emily and Libby. She spoke so highly of your family and you and the girls meant the world to her. Thank you Barb and to her other special angels for taking such good care of her. Our group will honor her memory by sharing all of the wonderful and funny Bev stories. Rest In Peace my dear friend.❤️

“ I interacted with Bev through mutual friends. I always enjoyed to her zest for life and proclivity for laughter. After her prognosis I was truly impressed by her strength of will and maintenance of a positive attitude. I'm sure she will be missed by close friends and family. My deepest condolences and I will remember her in my prayers.

“ *Bev and I dated through the late eighties and early nineties. As Jay Giles says in a song. "The good times last forever and the bad times just fade away." Fortunately Bev I remained very good friends all these years. Who could ever forget that million dollar Smile and laugh! My deepest condolences to her family who she loved and cared about very much.*
