“ So sorry to hear of Billy's passing. I have fond memories of our cousin. He and my brother, Walter Krushall, were very close. Billy actually committed for college to Colorado at the Krushall home, in Boling Texas. I remember his smile. I pray for the family's strength during this sorrowful time.

*My father, brother and I followed Billy's football career very closely. He was the brightest of stars at Boling Highschool and we watched him in person several times. He was in a different league than the other Class 2A players.*

*We were very proud of him at Colorado and then with the Rams. RIP, sir. You touched our lives in a positive way.*
