“ ADIEUX TO A SWEET MAMA WITH LOVING HEART - MRS. BITHIKA KUNDU

Over three decades ago in Nigeria, a strange teenager knocked at Mrs. Bithika Kundu's door, to visit one of her children. After a brief introduction, the entire family of Kundu welcomed this strange boy with open arms. Mrs. Bithika's hospitality was exceptional. She entertained this stranger with multi-course meals and beverages. That stranger was me and that is simply a testimony of the kind of loving and affectionate heart possessed by Mrs. Bithika Kundu's.

Mrs Bithika's family facilitated my immigration to the United of America over two decades ago. I remembered all the time she spent preparing dinner for me, her son Sudip and two other friends for over a month, until my wife joined me. Mama was always checking on my wife's welfare by calling, "Did you eat yet? What did you eat?.... and what? and what? My wife learnt from mama that one needs to eat varieties of balanced nutritious food and not just only starchy food. She always invited my wife for tea and helped her to get over the boredom and loneliness of a homemaker. She loves cooking for everyone regardless of race, background.

Mama was an amazing woman. She always had kind words and smile for everyone. We will never forget her kindheartedness. Although mama will be greatly missed, our consolation is the belief that she has moved on to a better glorious place with God. Our thoughts and prayers are with the entire family of Kundu.

“ I’m blessed to be friends of one of Mrs. Kundu’s daughters, Sudeshna, who’s always expressed her love and admiration to her mother. I got to know what a wonderful human being she was. “By their fruits you shall know them”. Rest in peace.
