“ *I have not been able to spend much time with Mr. Gysbers. I only had brief conversations with him at weddings and graduation gatherings. But if a man is judged by the family he leaves behind he was a Great man . His sons are kind and generous of heart and spirit.*

My sincerest condolences to his family may they know that he joins the love of his life, Loretta and other family members. And will be watching over all of his family. My prayers for all of you during this difficult time.
