“ *This is my grandpa. I remember reading enough books in school to choose whatever I wanted to eat for dinner one night when we were at his house and I decided on Halloween candy. I think I was 6 years old hahaha.i didn't get very far in my candy stash. Anyways, he was and is loved and very missed. I have many memories of him just teaching us kids how to be a good human by example. Rest in peace grandpa.*

“ *We have enjoyed a few meals together. Bob was a good conversationalist. It seemed that his favorite meal was a Sunfish dinner. It was fun watching him enjoy these little morsels!! He will be missed by all who knew him.*

“ *We loved his passion...especially when he was playing cards. Oh my, didn't he love the game of 500!! Otherwise he seemed pretty mellow and a real cool dude. He'll certainly be missed, but his spirit will always be close.*
