“ Bonney was dearly loved, is still dearly loved by so many people. She helped everyone . I will miss her everyday of my life. She made me want to be a better person. She talked endlessly of her daughter Sammy and was very proud of her. She may have had a battle haunting her daily but was trying with all her might to win the fight. She often talked of her love for her boyfriend Tommy and of there amazing relationship. True love. There love was amazing. I will miss you my friend I will miss you I will miss you The world has lost an amazing person

Bonney was one of the most caring, kindhearted, and loving people I have ever had the privilege and honor of knowing. She will be sorely missed by all those that she graced with her presence. Although, it offers solace to know that the demon that tormented her soul can no longer do so, the heartbreak and sadness of her untimely demise will last forever for those that loved her deeply. I'll miss you my dear friend.
