“ Auntie-I love you so much and I am so relieved you are finally free of that lost mind! Your beautiful soul and light will live on in my heart forever! You will be truly missed. You are now with the other Robinson women and you and my mom are hugging and telling stories again! Miss you already!

Love you

“ I have always been so touched by how protective and caring Tom always was with Bonnie, and what a lovely couple they made. Bonnie was such a sweet-spirited lady, and I know she thoroughly enjoyed the work she did for people with disabilities. Jesus will welcome her with open arms. And my dear Michael will be there to greet her as well. May God bless you and comfort you all.

“ To the Barnes family,
Like my brother, Bob, I have known Tom since about 8th grade. Tom spent many hours at our house when we were kids. Every now & again my husband, Al & I would see Tom & Bonnie at the Apple Valley Legion in past years. We send our deepest condolences to Tom, their kids & all of Bonnie's extended family & friends. Wishing you all peace during this sad time.

“ I have known Tom probably since the age of 12, or so. I did know Bonnie, but not very well. I know she loved to smile, loved to laugh, and loved my dear friend of so many years. She was a good spirit, and will surely be missed. I know Tom loved her, and that they were happy. I am so sorry my friend.
