

Bonnie E. Bruhn

May 19, 1932 - April 14, 2023

Bonnie Bruhn passed away peacefully early in the morning of Saturday, April 15, 2023, just shy of her 91st birthday, in St. Paul, Minnesota. Bonnie Mae Emerich was born in Merrill, Wisconsin, on May 19, 1932, where she met her future husband, Paul Bruhn, just seven years later-their first date being in 8th grade. Paul predeceased Bonnie after more than 50 years of marriage. They spent most of their married life in Madison, Wisconsin, where they raised two sons, Christopher and Peter, to whose well-being they were unflaggingly devoted. The many friends and acquaintances of Bonnie's knew this about her, and all were regularly updated on the latest news concerning her two boys.

Bonnie was a loving mother, devoted wife, and loyal friend, who took a keen interest in others' lives and welfare.

In addition to her sons, Bonnie is survived by two granddaughters, Olivia and Ava Bruhn.
