

Bonnie Lofgren

November 6, 1947 - May 9, 2025

Bonnie was the oldest of 7 children born to Florence Cavadini and Francis Stach, growing up on DuLittle Acres farm in Middle Ridge, Wisconsin.

She moved to the Twin Cities, realized her life's passion as a hairdresser and obtained her certification at the Horst Institute while raising two loving daughters. At that time she also met her husband and best friend Randy, they have celebrated over 40 years together.

Bonnie was a lively, loving, free-spirited individual who made an impact on, and brought a smile to everyone she touched. She cared deeply about family and friends and always extended herself and home to those that needed support. She was artistic and created beauty wherever she was- be it in the garden, making jewelry, making sweets, working in the salon or the creative art she shared. She was fortunate to always be surrounded by her own personal army of family and great friends to support her through any of life's challenges.

She was a fun, feisty, bucket of love that will be dearly missed!

Bonnie is survived by her loving husband Randy; daughters- Kim Johnson(Brian), Kristine Norman(Mario Sr); grandchildren- Kari, Kaeli, Marie, DeVonte, and Mario Jr; great-grandchildren- Malaya, Selena and Jude;

brothers & sister- Spencer Stach(Renee), Mark Stach, Pam-deceased(Jeff Kotek), Kevin Stach(Lisa), Doreen Averbeck(Steve) and Shawn Stach; favorite aunt Dorothy Lebakken, uncle Wayne Cavadini(Kris), aunts Rosie Cavadini and Barb Schams; brother-in-law Ron Lofgren(Barb); many nieces and nephews, cousins and great friends.
