“ I just found Bonnie's picture and obituary today (2/21/2015). This is Renee Sylvers (Bonar) formerly of Big Swan Lake. I am so sorry to hear of Bonnie's passing. I am now in Florida and see that she was living here as well. My sincere sympathy goes out to all of you -- Gary, Carol, Linda, Steve and the rest of your family.

“ My heart goes out to the entire Eikaas family at this difficult time. I was so sad to hear of Bonnie's passing. I grew up with the Eikaas girls (graduated with Linda). Many happy times were spent at the Eikaas house -- I will remember Bonnie as a bright light and a very kind person.

I met Bonnie through Linda during our high school years. Even at that young age her intelligence and character set her apart. We were close for a short period a long time ago - but time disappeared whenever our paths crossed in the intervening years. She was a delightful person - beautiful in many ways - who leaves this world better because of her time with us. Sandy and I send our love and prayers to the family, with thanks for giving us such a special person.
