She was a beloved wife and mother with a calm and gentle spirit, which she freely shared with everyone she met. A voracious reader who loved spending countless hours on her sunporch consuming the latest works by her favorite authors. Her lifelong passion for the arts included classical music and opera,

painting, and the many British centric mystery series presented on Masterpiece Theater.

An accomplished artist in her own right, she produced numerous works over the years in both watercolors and on porcelain. She was a proud member of the Minnesota Porcelain Art Guild, as well as a member of the China Painting Teachers of Minnesota since 1997.

Our lives were blessed by her presence and Heaven was made a little brighter upon her arrival.

The family is requesting that any memorial gifts be directed to an Alzheimer's or Dementia related organization or research fund.

“*Bonnie was a cherished member of the Minnesota Porcelain Arts Guild and Minnesota Teachers Association. Sharing her talent with all of us students. Always making a student feel like they were the best! My Mom loved to paint chickadees with Bonnie.*

*Bonnie's Christmas ornaments were amazing and always hang in a special place on my tree. My favorites are the fat little chickadees, rose's and a menagerie of woodland critters.*

*Bonnie will truly be missed at Guild. We send our biggest hugs and love.*

*Sister's Nancy Bergman, Kathy Svendsen, Becky Thompson.*
