

Boyd Stofer

December 3, 2011

Stofer, Boyd Bigelow age 62, of Edina died suddenly on November 29th of medical complications related to a recent surgery. Survived by his wife of 38 years, Cherie, and his children, Robby (26), Katharine (24), and David (21). Words cannot express what a loving and giving husband, father and friend he was. With unwavering devotion, he was always encouraging and supportive of the people around him. He was a successful businessman and provided his family with a loving home and many travel and educational opportunities. He and his family particularly enjoyed their cabin on Whitefish Lake in Northern Minnesota where they created countless memories along with their dog, Marley. Boyd was also an avid golfer, an accomplished skier, and enjoyed biking with Cherie. He was the consummate family man and a very nurturing, proud and involved father. In education and business, Boyd distinguished himself in many ways. He graduated from Cornell University with an engineering degree in 1971 and from Harvard Business School with an MBA in 1975. He chose real estate as a career and after spending two years at Gerald D. Hines Interests Houston, he moved to Minneapolis where he joined United Properties, in 1978, as a project manager. Thirty-three years later he had risen to the position of Chairman and CEO of the Marquette Real Estate Group, a holding company owned by the Pohlad family, with responsibility for four operating units and over 1,200 employees. He earned Developer of the Year honors in 2004 from the National Association of Industrial and Office Properties (NAIOP) and participated in many local and national association

activities. Boyd was also committed to making his community a better place to live. He was a board member of the Boys and Girls Club of the Twin Cities, a supporter of the Plymouth Church Neighborhood Foundation, a Trustee of the Plymouth Congregational Church and a board member of the Trust for Public Land. He will be missed by many. Boyd was preceded in death by his parents, Gordon and Margaret Stofer. He is also survived by sister, Judy Block (Philip D. "P.D."), and brothers, Kermit "Chip" Stofer (Lynn) and Gordon "Chub" Stofer (Debbie) and many relatives and friends. Memorial Services will be held on Saturday, December 3rd at 3:00 pm at Plymouth Congregational Church, 1900 Nicollet Ave, Minneapolis, 612-871-7400, www.plymouth.org. Private interment at Lakewood Cemetery, Minneapolis. In lieu of flowers, Memorials are preferred to the Boys and Girls Club of the Twin Cities, Plymouth Church Neighborhood Foundation, or the Plymouth Congregational Church. Washburn-McReavy Edina Chapel 952-920-3996

“ To my freshman college roommate that I was so lucky to meet Cherie, So saddened by the loss of Boyd, thoughts and prayer go out to you & family. But what a guy! Let me tell you Robbie, Katherine & David how well he treated your mom & the roommates at Miami and we all loved him. He would visit Cherie at Miami or give her a car just so he could be with her. Okay, so now we have the car & Cherie calls Boyd and says we're taking the car to Marti Gras and we went to New Orleans. Their relationship was so magical to me when I was young and they kept that magic alive for many years. I'll miss you Boyd! Love to you all. Take time to heal. Judi Van Driessche

“ To my loved college roommate Cherie: It has been way too long since we have seen each other in person, although calls, emails and your wonderful Christmas pictures and notes every year have kept us in touch. I have taken pleasure in seeing what a happy and loving family you and Boyd have -- knowing that having children was a #1 priority for you both. I know you will comfort and support each other at this most difficult time. I also know that Boyd got in life what he wanted most -- his precious Cherie, who he happened to set eyes on one day in church when you were a young girl. He waited and waited for you -- and his dreams came true. My deepest condolences Cherie to you, to Robby, Katharine and David, and the rest of your family on the loss of a wonderful man, husband, and father.

“ My condolences to the Stofer Family, Even though I haven't seen any of you in many years, the "six degrees of separation" often came up. Chip and I were in high school together; a college (Barat-Lake Forest) friend, Suzi Thomas VanVuren, knew Judy as she lived in the same building as her Mother; moving here in 1975 from Chicago, I'd often enjoy reading of Chub and Boyd's wonderful accomplishments; our Dads played golf together and updated each other on their "kids" and Dad spoke with Chip at your Dad's funeral. Remembering what a wonderful, loving, family you were, you'll pull together to help Boyd's family through this tragedy. It is especially tough that your Mom died almost a year ago to the day of Boyd's death. Think of them together with your Dad, too soon, but "together"...and that can overcome a lot of sorrow...My prayers are with you all...take care of each other, Marybeth Lemon Basten
