“ *To the Anderson family: growing up with Brad, playing sports together, and being a friend for over 50 years - I've had a flood of wonderful memories come back to me since I heard the news of his passing. You couldn't find a better teammate; he always gave us a little swagger, both on and off the field. And he was the first guy to extend a hand when we got knocked down.*

Brad was deeply committed to his family and friends.

Sending love your way and praying for peace and healing, Haker
