So sorry for your loss! Just saw this on Facebook. Brad was my best "out-law" when I was part of the Hoel family. We could always share eye rolls across the room! I will always cherish those memories. God's blessings - Nancy (Hoel) Dalton

“ *Ann, Carol, Karen&Linda,
I am so sorry for your loss, there are no words. I want to share a memory of staying at your house in St.Michael and your dad playing the”Beatles” Sargent Pepper and pointing out parts or lyrics he liked. I can’t hear the Beatles without thinking about your house and your dad. I admired his service to our country and he helped raise some pretty awesome daughters. ❤️❤️❤️

So sorry for your loss. I went through boot camp with Brad in the Minnesota Twins Platoon. He was a good man and a great Marine!

I'm sorry for your loss. Brad was a very important part of my life from age 18 to 21. I worked with him at Royal Tire in Maple Grove right after I graduated high school in 1994. He taught me how to work hard, all day, everyday. He wouldn't tolerate my teenage whining. At first, I was terrified of him because he could yell at you without raising his voice, but as time went on he would half smile after he yelled at me to move faster. He taught me things about being a man that stayed with me and still resonate 24 years later. I lost touch with Brad in about 2000, but I never forgot him. He stood up for me when I was a kid and taught me to stand up for myself as a man. He probably didn't remember me, but I remember him and all the things he told me about the military and his wife and kids. I never did develop a taste for Pabst Blue Ribbon, but I could fill 10 pages with things he told me quietly, gruffly, and even affectionately.
