“ *I remember growing up, when I was feeling sad about something, Brad would do the silliest things to try to get me to laugh. As an adult, and I was feeling sad, Brad always had the most incredible, profound, loving words to help give me comfort. It would take an entire novel for me to write just about those experiences. Brad - I know you are at peace now, and I love you so much. I will cherish those memories forever.*

*Your loving sister,
Stephanie (aka Steph, Stephe, "dude,")..*
