“*Brad was my caddie master for 8 years at Interlachen. I will always be thankful that he was willing to give such an awkward teenager a chance to succeed. Those eight summers at Interlachen were the best of my life thanks to him. I will never forget him.*

“ I am truly sorry for your loss. Brad was a fair and honest boss. My greatest memory of Brad is when I called the shack after being laid off and Brad answered the phone. I told him what had happened and asked if I could come back and do some loops (after 6 summers off) until I found another job. I do not necessarily recall the exact words he spoke however I will never forget the conviction in his voice when he said “Schmells in my book once you earn your spot here you will always have it” . At the time this is exactly what I needed to hear and made this stressful time in my life that much easier. I will forever be indebted to Brad for this.

“ Brad was always a great friend and boss during my 11 Summers at ICC. I always appreciated how Brad treated everyone impartially - If you put the work in, Brad would notice. There are so many memorable stories from hanging around the shack and I can thank Brad for many of them. Brad helped me become a good caddy, but even more importantly a good person. I will forever be indebted to him for this. Plus, I will never forget those end of the year banquets! Thank you again Brad

“ To the Odell Family, I was shocked and very saddened to learn of Brad's passing yesterday. My deepest sympathy and condolences to Brad's parents and brother. Brad and I attended Edina West together, but really became good friends following highschool. He had such a great sense of humor and love of sports. He would do anything for a friend! While we had not seen each other much in these last years, I last spoke with him at Interlachen and he seemed very content, healthy and happy. I know that he's out on the track in the sun and smiling down at us. You rarely saw Brad without a smile on his face, a good story to tell -- a genuine friend who you could count on. Rest in Peace, Brad! We'll all miss you, friend.

“ I am very thankful I had the opportunity to work under Brad at Interlachen for 13 summers. His common sense, great sense of humor, and caddy experience made him a tremendous boss. He did things his own way, he had a system that he kept in his head that was remarkably fair and organized. There was nothing better than getting him going on and laughing at a joke. Some of his one-liners and comebacks to caddies were amazing. You'll be deeply missed and always remembered by many. My thoughts and prayers are with his close friends and family

“ I have more great memories of Brad through the years than I can count. His sense of humor and infectious laugh made the bike rides to Interlachen and cold nights of outdoor hockey more bearable, and now fond images. I am very sorry for your loss. He one of those rare individuals of whom I never heard anything but good words.

“ So sad to hear this news. I was fortunate to interact with Brad on numerous occasions....he caddied for me as a big, strong, young guy who could do 36 holes double carry, no problem. As the caddie master at Interlachen he played an important roll encouraging and helping Interlachen caddies apply for the Evans Scholarship. He shared a love for the game of golf throughout his life.

“*Brad was one of the funniest people I ever knew. Some of the stories he would tell made me laugh for hours. I can hear his infectious laugh ring in my ears just as we speak. He was a good buddy and a good hearted man. He loved his job at Interlachen, and appreciated the people who worked with him. He also loved to travel with his family, and talked about it frequently. We shared many laughs, and I will miss him terribly. God bless you.*
