

## Bradley Dean Radtke

December 25, 1964 - June 22, 2026

Brad Radtke 12-25-1964 to 6-22-2026

Being here today for a funeral for Brad is very unexpected. He was the baby of the family,

and much too young for this. Yet none of us know when it is our time.

Last Monday, June 22nd, the family got a call from a sheriff deputy and received the

shocking news that Brad had collapsed and passed away before help could arrive.

Brad was 61 years young, but he accomplished a lot in his life.

He grew up in Brooklyn Center. He went to Earle Brown Elementary and then to Brooklyn

Center High School. He played basketball and baseball. He liked his sports.

He also

enjoyed snowmobiling up at Elk Lake with his brothers.

He graduated in 1983 and began a career at Graco in 1988. He worked there for 24 years.

He bought his first house in 1992 in Minneapolis. In 2010, he sold the Minneapolis house

and bought his next house in Becker, MN.

He liked all the typical guy things. He owned a Honda and Harley motorcycle, Arctic Cat

snowmobile and he also had a Hummer. He took a road trip in his Hummer

with his Mother

in 2006. They went down to Tulsa, to visit Allan.

Brad and I took the train a few times to the Twins game. Brad also went on a multi-baseball

stadium tour in 2008 with Mark.

He went on a European tour with his mother and I in 2000. During that trip, Brad really

enjoyed getting on a ship on the Mediterranean Sea as well as eating some really good

Italian food and wine. Also, during that trip, we almost missed our tour bus, but we ended

up catching it so everything was ok.

He also fit in some trips to Vegas and Mexico and took a Caribbean cruise.

Brad enjoyed going to the VFW in Monticello for the Viking football games.

He also looked forward to spending time with family every year on his birthday and

Christmas, which was usually held at Cathy's house.

We are all saddened that his life ended so soon. He will be deeply missed
