“ Teresa, Mara and Payton- I am going to truly miss Brandon! He had become one of my best friends and their is a piece of my heart that has gone on to heaven with him! I wish he could come back and sit beside me in his cube and tell me another one of the many stories he loved to share! He was not just my co-worker but indeed my friend. I am just going to remember the good times that we shared and hope that the pain one day goes away and nothing is left but fond memories. I know that this hard for you but know that he loved all of you all with everything he had in him! We know because he shared many stories and memories. Take care of yourselves and make him proud! I am proud to have been called his friend and I truly appreciated all he did to make America and me feel safe! My thoughts and prayers will remain with you all.

Sincerely,

Tracie L. Clark
