“ *The day God took you home*

*A million times
I've needed you
A million times I've cried,
If love alone
Could have saved you
You never would have died.
In life I loved you dearly;
In death I love you still.
In my heart you hold a space,
Where no one can ever fill.
It broke my heart to lose you,
But you didn't go alone
Part of me went with you,
The day god took you home.*
