“ I worked with Brian at Menards in the last few years. He took me under his wing when I was brand new and his knowledge of painting, construction, and everything mechanical was amazing. He was a very kind man with an interesting life and he shared those experiences with me. I sincerely wish I would've know about the service to help celebrate Brian's life and love. We were close and and I never gave up hope that he'd come back to work. I spoke with him on the phone not quite a year ago and I know he had been through a lot. My heart is breaking at the loss of this wonderful man. Please accept my Deepest Sympathy. Where would you prefer memorials to go? Sincerely, Patricia Browne
