“ *Brian...you will be sorely missed. Your creativity and talent,; knowledge and experience; eccentricity and individuality; courage and honor; and confidence and belief in better days has been an inspiration to so many...especially those Nordeast! Brian was a good friend. He even came to Fargo and helped me move back to Minneapolis, even driving the u-haul. I am glad we were able to spend so much time together in the 2 years I was back there.I miss you my friend...but we'll see each other again. In the meantime...do some fishing with Marko.*

“ I will miss you, Cousin. I know it's been some time since I last saw you, but I remember our Summer vacations to Minnesota when we were young and the fun we had. I will always remember you and your family with fondness. Rest in Peace, Brian

“ Brian you are in a better place now. I am so sorry that you had to suffer with this illness. I was hoping you could have beaten it. I am sadden and shocked at your passing. Brian you were a loyal friend and a great humourous. Always finding something funny about a situation. Your unusual dry sense of humor will be missed as well as your laugh. Brian had a good heart, always helping people in need. Thank-you Brian We sure had a lot of fun seeing the Guess Who at the taste of Minnesota to hanging around the Sun Saloon. Brian was always up for an adventure. I miss you Brian and will think of you often. May God welcome you in his kingdom, I know he will. One of your best friends Barb
