“ Bruce,

You were an inspiration and a joy to be around from the day we met at Molex training back in Lyle, Il. in the early 90's with Kent Electronics. The afternoon we had that softball game and you were the pitcher, I was inspired by your competitiveness...diving for balls and shouting out commands. That was the way you lived your life full of passion and desire, not to mention a great sense of humor! I'm just sorry we didn't live closer. I always enjoyed the phone conversations we had catching up on our families and how proud we were to be fathers! You always made me laugh! You will be greatly missed my friend. I will never forget you!

Love,

“ Bruce,
Thank you so much for being such a wonderful dad. From the strict leader of "Camp Uncle Bruce" to the dad who played catch out in the yard with is little boy. He knew he was loved. It because of the dad you were that Tony is the dad he is today.
Thank you so much
I will miss knowing that you are there.
